Acme Corp · Information Security Policy (Rev 4.2)

1. Password & Authentication Standards
All employee accounts must use passwords with a minimum length of 14 characters, combining uppercase, lowe

2. Data Classification Levels
Data within Acme Corp is classified into four tiers:
- Public: Freely shareable externally (marketing materials, public press releases).
- Internal: Default classification for operational documents and internal wikis.
- Confidential: Sensitive business information (financial reports, employee records).
- Restricted: Highly sensitive customer data, source code, and cryptographic secrets.

3. Incident Reporting
Any suspected security breach or lost device must be reported to security@acmecorp.internal within 1 hour of di
